Re:-Tender for the construction of storm water drain in Kumara Park Extension.

Sir,

I have the honour to forward nine tenders of the undermentioned contractors for the above work and to recommend the acceptance of the tender of Mr.C.N.Thimmiah as it is 10% less than the estimated rates. Sanction to the acceptance of the tender may kindly be communnicated early.

All the tenders are enclosed in original for reference# and return after done with.

The estimate is for Rs.21,000/- It was sanctioned in Government order No.L.4376-9/ML.157-44-20 dated 3-11-44.

It is most extraordinary that tenders vary so widly- The range is from 75% over the sanctioned estimate to 10% less than it; that is, from Rs.36,060/- to Rs.18,900/-. It amounts to a gamble. Contractors are not sure of what men and materials [redacted]

materials cost them.
